

Hear the Music. Feel the Moment.

High Desert Hearing Center is proud to support the
Grand Junction Symphony Orchestra's
"Pumpkins & Pearls" Gala
and its mission to inspire, educate, and enrich our
community through music.

In celebration of better hearing and community
connection, we're donating a pair of premium
ReSound Viviva™ hearing aids and a complete service
package — **a \$7,990 value** — to support the Grand
Junction Symphony Orchestra.

*Together, we believe everyone deserves to experience the
joy of sound.*
