## TINNITUS HANDICAP INVENTORY

Patient Name: \_\_\_\_\_ Date: \_\_\_\_\_

INSTRUCTIONS: The purpose of this questionnaire is to identify difficulties that you may be experiencing because of your tinnitus. Please answer every question. Please do not skip any questions.

|                                                                                                                                 |     |           |    |
|---------------------------------------------------------------------------------------------------------------------------------|-----|-----------|----|
| 1. Because of your tinnitus, is it difficult for you to concentrate?                                                            | Yes | Sometimes | No |
| 2. Does the loudness of your tinnitus make it difficult for you to hear people?                                                 | Yes | Sometimes | No |
| 3. Does your tinnitus make you angry?                                                                                           | Yes | Sometimes | No |
| 4. Does your tinnitus make you feel confused?                                                                                   | Yes | Sometimes | No |
| 5. Because of your tinnitus, do you feel desperate?                                                                             | Yes | Sometimes | No |
| 6. Do you complain a great deal about your tinnitus?                                                                            | Yes | Sometimes | No |
| 7. Because of your tinnitus, do you have trouble falling asleep at night?                                                       | Yes | Sometimes | No |
| 8. Do you feel as though you cannot escape your tinnitus?                                                                       | Yes | Sometimes | No |
| 9. Does your tinnitus interfere with your ability to enjoy your social activities (such as going out to dinner, to the movies)? | Yes | Sometimes | No |
| 10. Because of your tinnitus, do you feel frustrated?                                                                           | Yes | Sometimes | No |
| 11. Because of your tinnitus, do you feel that you have a terrible disease?                                                     | Yes | Sometimes | No |
| 12. Does your tinnitus make it difficult for you to enjoy life?                                                                 | Yes | Sometimes | No |
| 13. Does your tinnitus interfere with your job or household responsibilities?                                                   | Yes | Sometimes | No |
| 14. Because of your tinnitus, do you find that you are often irritable?                                                         | Yes | Sometimes | No |
| 15. Because of your tinnitus, is it difficult for you to read?                                                                  | Yes | Sometimes | No |
| 16. Does your tinnitus make you upset?                                                                                          | Yes | Sometimes | No |
| 17. Do you feel that your tinnitus problem has placed stress on your relationships with members of your family and/or friends?  | Yes | Sometimes | No |
| 18. Do you find it difficult to focus your attention away from your tinnitus and on other things?                               | Yes | Sometimes | No |
| 19. Do you feel that you have no control over your tinnitus?                                                                    | Yes | Sometimes | No |
| 20. Because of your tinnitus, do you often feel tired?                                                                          | Yes | Sometimes | No |
| 21. Because of your tinnitus, do you feel depressed?                                                                            | Yes | Sometimes | No |
| 22. Does your tinnitus make you feel anxious?                                                                                   | Yes | Sometimes | No |
| 23. Do you feel that you can no longer cope with your tinnitus?                                                                 | Yes | Sometimes | No |
| 24. Does your tinnitus get worse when you are under stress?                                                                     | Yes | Sometimes | No |
| 25. Does your tinnitus make you feel insecure?                                                                                  | Yes | Sometimes | No |

### For Clinician Use Only

### Total Score Per Column

Total THI Score: (number of "yes" responses x 4) + (number of "sometimes" responses x 2) = **Total Score**

**0 – 16** Slight (Only heard in quiet environments) GRADE 1

**18 – 36** Mild (Easily masked by environmental sounds and easily forgotten with activities) GRADE 2

**38 – 56** Moderate (Noticed in presence of background noise, although daily activities can still be performed) GRADE 3

**58 – 76** Severe (Almost always heard, leads to disturbed sleep patterns and can interfere with daily activities) GRADE 4

**78 – 100** Catastrophic (Always heard, disturbed sleep patterns, difficulty with any activities) GRADE 5
