

Signia App

Personalize your
hearing experience

Before you are fitted with your new **Signia hearing aids**, it is recommended that you download the **Signia App** on your Apple or Android phone.

If Assistance is needed: Please contact Signia's Consumer Bluetooth Hotline at (800) 350-6093

Step 1:

Go the **App Store (iPhone)** or **Google Play Store (Android)** icon on your phone.

Step 2:

Using the **Search** screen, type in **Signia App**. Once you see the image below, click on "Get"

Step 3:

Enter a password if prompted by your phone. If not prompted, the App will begin downloading automatically.

Life sounds brilliant.

Step 4:

It may take a few seconds for the App to completely download. You will know that it is completed when the App icon is visible on your screen.

You are finished and ready for your new Signia hearing aids!

Frequently Asked Questions

Why do I need to download the App BEFORE my appointment?

- It is often much **faster** to download the App at your home, rather than at a provider's office where internet may be slow and/or time may not be available.

What do I need to download the App?

- Depending on your phone, you may be required to **enter a password** before the App can download to your phone.

Is there a fee to download the App?

- No, there is **no fee** to download the App to your phone.

What does the App do?

- The Signia App puts complete control of your new Signia hearing aids at your fingertips. It offers advanced remote control options so you can change settings (programs, volume, etc.) and personalize your hearing aids according to your individual preferences.

Will the aids only work if I have the App?

- **No**, your hearing aids will function completely without an App. The App is only necessary for streaming or remote control options.
